## Experience

**Cemetery Warden, Kyrkogårdsförvaltningen Falköping** Mars 2023 – Augusti 2023

- Managed gardening responsibilities at St. Olofs Cemetery, collaborating with colleagues to ensure the maintenance of the premises. Executed diverse tasks, including but not limited to lawn mowing, flower planting, garden watering, and participation in funeral proceedings.
- Undertook grave-digging responsibilities and aided visitors, addressing their various physical and emotional needs with empathy and professionalism. Acquired a license for operating wheel loaders, facilitating tasks such as the removal of trees, branches, bushes, and the transportation of gravestones.
- Deepened appreciation for aesthetics and visuals, fostering a passion for excellence. Experienced in handling sensitive situations, particularly in consoling those grieving. Strengthened interpersonal skills and cultivated resilience, laying a foundation for future career opportunities.

**Painter, Hagbloms Måleri Skaraborg** January 2021 – February 2023

- Successfully completed painter studies, acquiring comprehensive skills in various painting techniques and craftsmanship. Contributed as a key member of one of Skaraborg County's leading construction companies, specializing in the craft. Executed diverse tasks including wall and ceiling painting, plastering, wallpaper and fabric installation as well as spray-painting.
- Operated predominantly on "accord," emphasizing efficiency to maximize earnings while maintaining a commitment to high-quality work. Cultivated strong organizational skills, demonstrating the ability to adhere to structured plans and timelines. Collaborated effectively within a team environment, ensuring successful project outcomes.
- Developed proficiency in customer interaction, enhancing communication skills and the ability to bring clients' visions to life. Engaged in the construction of a new residential neighborhood for Götenehus, contributing to the painting of approximately 40 apartments across five distinct buildings.

**Personal Assistant, Skaraborg Assistans Tidaholm** November 2019 – August 2020

- Provided dedicated assistance to an individual diagnosed with Duchenne muscular dystrophy, a condition leading to progressive muscle deterioration. Supported the individual in daily activities, encompassing personal hygiene, cleaning, and aiding in both academic and professional pursuits.
- Assumed responsibility for meal preparation, fostering a comfortable and supportive environment. Engaged in recreational activities, including games, and offered companionship to address the individual's limitations in self-sufficiency.
- Developed a comprehensive understanding of proper caregiving techniques tailored to the unique challenges presented by Duchenne muscular dystrophy. Found intrinsic reward in significantly contributing to the improvement of the individual's quality of life during the duration of employment.

**Cemetery Warden, Kyrkogårdsförvaltningen Tidaholm** June 2019 – October 2019

- Collaborated with colleagues in the maintenance of the North Cemetery in Tidaholm, undertaking various gardening tasks such as lawn mowing, flower planting, and garden watering. Engaged in funeral preparations, handling responsibilities that included heavy tool operation, notably edge cutters.
- Assumed a crucial role in providing support and assistance to visitors during times of grief, emphasizing empathy and sensitivity. Acquired proficiency in heavy lifting, utilizing physical strength to accomplish diverse tasks associated with cemetery maintenance.
- Developed skills in task completion and time management through assignments delegated by the team leader. Gained valuable insights into the significance of teamwork within a professional environment, recognizing its pivotal role in achieving shared objectives.

## Skills

### Programming Languages

HTML, CSS, JavaScript, C#

### Libraries & Frameworks

Tailwind

### Tools & Platforms

Git, GitHub, Jira, Visual Studio Code

## Selected Projects

### Stack Overflow

My recreation of Stack Overflow navigation bar and footer where I successfully recreated it, to learn more and new web development techniques.

### Memory Card Game

My memory card game that I created and learned a lot of necessary skills in JavaScript.

### Portfolio

My portfolio that I built to showcase my skills and determination for web development.

## Education
